"LIFE ISN'T ABOUT COUNTING BREATHS,  
IT'S ABOUT THOSE MOMENTS THAT STEAL  
OUR BREATH AWAY."

# YOUR CROWNING GLORY

“You open your eyes to a chorus of birdsong, greeting the sunrise with a view that stuns. Sipping tea on the balcony, which feels like an artful creation.”

Is this what makes life breathtaking?  
Perhaps for a glorious moment, but life isn't a one-act play. True brilliance lies deeper.

It's in the thrill of the unknown, adventures that get your heart racing.  
Ultimately, what makes life breathtaking is your own experiences. The highs, the lows, the moments that define who you are - your crowning glory.

And we let you adorn your crowning glory.  
Welcome to Subha Belgravia, where you live a life that takes your breath away.

## RULE YOUR KINGDOM OF LAUGHTER, WHERE EVERY ELEMENT OF LIFE COMBINES TO CRAFT A CROWN OF UNFORGETTABLE FUN.

In a bygone era, where nature wasn't just a backdrop, but a guiding force, the crackling fire fueled ambition, the still waters mirrored introspection, the earth offered a sense of belonging, and the vast sky whispered of limitless possibilities. This profound connection to the natural world was a hallmark of the Victorian Era.

Wouldn't it be remarkable to recapture that essence?

At Subha Belgravia, we've meticulously woven the elements of nature into our 70+ amenities and club. We've created places to reconnect with the very essence of well-being, just like the Victorians did!

# In a quiet hum of belonging, let's uncover the spaces that crown our moments.

## Ground Floor:

### Spacious. Private. Perfect.

Welcome to the ground floor, the crowning glory of comfort.

Imagine waking to a symphony of birdsong, the first rays of sunshine warming your face as you sip your tea and lose yourself in a good book. This isn't a dream, it's your everyday reality at Subha Belgravia.

Your dream unfolds on the ground floor, creating a seamless flow for tranquil mornings. Laughter spills from the spacious living and dining area as your little ones play nearby.

A well-equipped kitchen, perfectly designed for whipping up gourmet meals or family favourites. And don't worry about parking – your exclusive car park is right there.

## First Floor:

### Connect, unwind, escape.

Welcome to the first floor, your crowning escape from the ordinary.

Experience the elegance and charm of a bygone era with multi-story memories. In the queen's era, there was nothing more enchanting than watching the sunrise and sunset from your own balcony, sipping herbal tea, and enjoying the company of loved ones in complete privacy. This lifestyle awaits you on the first floor, where privacy and happiness blend seamlessly in a grand landscape.

Here, your family stories come alive in the exclusive family room measuring. Enjoy the luxury of a master bedroom sized, a cozy bedroom for your little ones, and a charming balcony. Discover a home where your cherished moments and royal living converge.

## Terrace:

### Elevate, Reconnect, Exclusive.

Welcome to the expansive terrace, the crowning glory of city living.

In the Victorian era, reaching for the sky had a literal and poetic meaning. It meant uncovering the beauty of the stars and creating memories as vast as the heavens. The mesmerizing atmosphere of togetherness and nostalgia converges on our exclusive terrace.

This enchanting vibe unfolds on a spacious terrace, where your memories can expand within a generous area. Complementing this space is a functional and elegant lobby measuring, adding a touch of Victorian charm to your experience. Embrace the grandeur of the past while creating timeless memories in this exquisite setting.

## STRUCTURE

**Harkening back to the Victorian era's emphasis on permanence and quality.**

- High ceilings (3.2m/10.5')
- Thick walls (150mm/100mm)
- Lasting impression of elegance and stability.

## WALL FINISH

**Here, the spirit of a bygone era can be translated into modern comfort.**

Toilet walls finished with glazed ceramic tiles up to false ceiling level.

## FLOORING

**The regal touch complements the era's emphasis on opulence.**

- Foyer, living, and dining Italian Marble.
- The kitchen, Master Bedroom, and other bedrooms & Family will have 1200 x 600mm/ 600x600mm vitrified tile flooring.

## KITCHEN

**Unlike grand Victorian kitchens, this space prioritizes efficiency.**

A dedicated utility area with a sink provision ensures a streamlined workflow, freeing up the main kitchen for food preparation and socializing.

## STAIRCASE

**A departure from the ornate wooden staircases of Victorian times, our villas feature a modern interpretation of grandeur.**

- Tread: Granite
- Railing: Glass railing with wooden handrail

## BATHROOM

**While Victorian bathrooms emphasized function over luxury, this residence prioritizes both.**

- Kohler or Toto brand fittings, known for their timeless design and quality,
- Echo the era's focus on craftsmanship.  
This translates to a modern bathroom experience that's both beautiful and built to last.

## ENTRANCE

**Victorian estates boasted grand entrances, often featuring heavy, solid wood doors.**

- A majestic 8-foot teak door, gleaming from a meticulous polish
- High-quality hardware in brass or stainless steel adds timeless elegance.

## ELECTRICAL FITTINGS

**While Victorian Era homes relied on natural ventilation for comfort, this residence offers a modern twist.**

- A dedicated split air conditioner point in each bedroom.
